20 Anniversary Open House/ Banquet

Sign up sheet in SAR Shack

HAPPY NEW YEAR

The Board of Directors of Rocky Search & Rescue wishes everyone a Happy and prosperous New Year.

A Big Year Ahead

2011 is Rocky Search & Rescue's 20th year in operation. We will be holding a banquet/open house in the fall. The date will be determined. There will be a sign up sheet at the General Members Meeting on January 27 for those wishing to help. We are needing people to help plan the event. More information will be available at the meeting.

Decisions for Heroes

Rocky Search and Rescue has implemented a web based team management program. This software allows us to track incidents, team members and their qualifications, inventory and many other useful tools to keep the organization flowing smoothly. Each member has already received an email inviting you to login and setup up your personal information so that we may contact you. This is going to be

our primary tool to contact members and alert you to upcoming events, training exercises etc. We ask that you keep your personal information up-to-date so that we can effectively communicate with you. If any member is having difficulty getting around the software, don't hesitate to ask someone on the board, we will be happy to sit down with you and show you around the program.

Low Angle Rescue

MRT members practice low angle rescue at Two O'Clock Creek on January 16, 2011.

Member ID Cards

Photos for member ID cards will taken at the next general members meeting on January 27, 2011.
