MRT Ropes training with TNT Work n Rescue

ICS 100

For those of you who have not done so, please go to rockysar.com, click on the training tab and follow the link to complete your ICS 100. It is mandatory to have this course prior to going into the field on a search. We also hope in the future to have additional training in Incident Command for those of you who have completed the 100 level. The training material and exam are available online.

FIRST AID

Please make sure that your First Aid/CPR is up-to-date and that there is a copy in your file. This is mandated by the RCMP, if we do not have a copy on file then you cannot enter the field as an active searcher.

Submission to the Newsletter
